

Short Writing Assignment 2: Explaining How Others Use Terms

Instructions: you should print this assignment out and bring it to class on Friday February 3. (If your printer breaks at the last second, you should email it to me; my email address is immerman@ksu.edu. If you email it in, it won't count as turned in unless I send an email confirming I've received it.) This assignment should be one paragraph long. I like to grade as anonymously as possible, so please **do not put your name on the top of the paper, but instead put it on the opposite side of the page or on a second page.** If you have any questions about how to complete the assignment, please let me know.

On page 117 of the Aristotle reading for today, he describes what he means by "excellence of character". I would like you to explain how he uses this term. (*A recommendation: check out the class notes from last Friday on explaining how others use terms.*)
