Short Writing Assignment 8: Structuring Papers

Instructions: you should print this assignment out and bring it to class on Friday March 31st. (If you can't bring it to class, you should email it to me; my email address is immerman@ksu.edu. If you email it in, it won't count as turned in unless I send an email confirming I've received it.) This assignment should be a paragraph or two, a page at the most. I like to grade as anonymously as possible, so please **do not put your name on the top of the paper, but instead put it on the opposite side of the page or on a second page**. If you have any questions about how to complete the assignment, please let me know.

Today's listening assignment is on the subject of green virtues. The person being interviewed (Dale Jamieson) mentions two green virtues: temperance and mindfulness. What are some other green virtues you can think of? How can they be practiced in your own life? (*A suggestion: check out the class notes from Monday on structuring papers.*)

I will be grading this assignment via the following rubric:

✓+ : you do all three of the following things: (i) have a good structure (ii) make clear what the structure is (iii) you apply the tips from previous assignments.
