Short Writing Assignment 9: Your Choice (!!)

Instructions: you should print this assignment out and bring it to class on Friday April 7th. (If you can't bring it to class, you should email it to me; my email address is immerman@ksu.edu. If you email it in, it won't count as turned in unless I send an email confirming I've received it.) This assignment should be a paragraph or two, a page at the most. I like to grade as anonymously as possible, so please **do not put your name on the top of the paper, but instead put it on the opposite side of the page or on a second page**. If you have any questions about how to complete the assignment, please let me know.

You get to pick your own topic for this one! You can use it to practice a task you found difficult. Or one that you enjoyed. Or whatever else you prefer!

I will be grading this assignment via the following rubric:

- ✓+ : you apply all the tips from previous assignments that are relevant for the topic you chose.
- ✓: you apply all but one of the tips from previous assignments that are relevant for the topic you chose.
- ✓- : you fail to apply two or more of the tips from previous assignments that are relevant for the topic you chose.
