

Reflection Paper 2

Instructions: this assignment should be **printed out** and turned in **in class** on **October 15**. This paper should be a page or two. I'll grade it pass/fail/didn't turn in and it's worth 2 percent of your grade. Pass is equivalent to an 'A' – if you do a super-awesome job, I'll give you some bonus points. If you have any questions about how to complete the assignment, please let me know.

Your paper should address the following two questions:

- (1) What are you doing well in our class? What needs improvement? (Think about papers but also about discussions, quizzes, etc.) How can your work be improved in those areas you're struggling with?
- (2) At the beginning of the semester I had you fill out a survey regarding the various questions we were planning on talking about in class. Have your thoughts on the questions we've discussed changed – either your particular views or your reasons for holding them? If so, how and why? If not, why not?
